ENTERTAINMENT

1977 Jr.-Sr. Prom

A lot of hard work was put in by the Junior Class to give the Class of 1977 a final remembrance. The theme for the Prom was "Southern Nights." Flowers, greenery, and other decorations made the Shrine Club seem like an old southern plantation. The band, Willie Be Nimble, entertained us throughout the night and the Prom was a great success.

Graduation

The Class of 1977 completed their final year at Myrtle Beach High School. They had a lovely graduation ceremony at the Convention Center. The Junior Marshals and the Men's Ensemble added to the evening's exercises. The Graduate's last activity associated with Myrtle Beach High proved to be most memorable.

Top Left: Robert Elam gives thanks to Miss K. **Top Right:** The Men's Ensemble looks on key. **Bottom:** Junior Marshals observe.

Spooky Seniors

Thursday, Myrtle Beach High School was turned into a hall of ghostly horrors where vampires and witches lurked. Spirit abounded and chilling chants of victory filled the air. "Boil, Boil, Toil and Trouble" was heard as witches burned Monarchs on the baseball diamond at break. Revolving around the theme "Spook the Monarchs," the Senior's spirit day took first place honors. Thus winning this award the Class of '78 goes down in history as the first to win first place in two consecutive years.

Juniors Journey Out of This World

U.F.J.'s, Unidentified Flying Juniors, descended upon Myrtle Beach High School on Monday, the first day of spirit week. The beings, dressed in cosmic costumes, trekked the halls displaying great spirit. Their theme "Seahawks are out of this world" was well carried out. A flying Saucer, disguised as a Volkswagon, landed at break and a mighty Seahawk emerged amidst the bowing aliens. Although they did not place, the Juniors felt their hard work had paid off. Their effort was a fine example for the classes following.

Below: What are those antennas picking up, Ginny? **Left:** Aliens Karen, Wendy and Sharon cheer on the Hawks. **Bottom Left:** Sidney, the cosmic robot, explains his computerized functions to Mr. Boling. **Bottom Right:** Brian Schild enters the saucer which is cleverly disguised as a Volkswagon.

Sophomore Spunk

The Sophomores arrived early Wednesday morning eagerly anticipating their spirit day. Visibly united in their T-shirts which read "Mighty Mean Manning Mashers," jeans, oversized shoes, and painted faces, they showed a tremendous spirit. The halls were plastered with signs and footprints were implanted throughout the school. Second place honors were awarded for this fine display.

Below: Valerie Arnold, loyal Seahawk supporter. **Right:** The Class of '80 carries cheers along the parade route. **Bottom Right:** Kelly Brown leads the Mighty Mashers down the halls. **Bottom Left:** The Sophomores display an exuberant spirit.

Freshmen Take Flight

Being their first year, the Freshmen displayed an admirable spirit day. Their theme, "Net the Monarchs," was seen as the butterflies flew through the halls with pirates following closely behind with ambition to net the Monarchs.

The Class of '81 took first place honors in the car competition, displaying a caged Monarch escorted by a pirate and a car containing the class officers.

Homecoming Week Spirit-Filled

Spirit abounded during Homecoming Week, reaching its peak with the pep rally and parade Friday afternoon.

The pep rally opened with the cheerleaders leading the students in victory cheers. Homecoming contestants and their sponsors were introduced amidst much applause.

The teachers presented a skit, each dressed as a football player with Coach K and cheerleaders Edlin and Sanders. The Civinette and Civitan skit revolved around Princess Conference, whom the Monarchs and Seahawks both wished to capture. The Freshman girls took part in the activities with each dressed in various players pajamas.

Below: The Homecoming dance, sponsored by the Senior class, was held at the Castaways. **Right:** Cheerleaders Edlin and Sanders entertain during the pep rally. **Upper Right:** King Chris asks Knight Andrew to protect Princess Conference, Wendy. **Bottom:** Overslept again?

Later in the afternoon, the parade began its route along Kings Highway. The band led the way, with cars representing the clubs and classes following. Homecoming contestants, cheerleaders, and the Pom-Pon squad helped to round out the colorful parade. The club car competition was won by the German club and the Freshman class took class car honors.

Everyone looked forward to the evening, which would bring an exciting game against Manning and the traditional dance afterwards.

Hawks Victorious Over Monarchs

After a week of spirited activities, Homecoming game time arrived. Fans cheered from crowded bleachers as the Hawks took a quick lead.

Halftime arrived with the naming of the new queen and spirit day winners. Homecoming Queen 1977, Suzette Lewis, was sponsored by Weston Graves. The Seniors were jubilant over first place honors in the spirit day competition, while the Sophomores took second place.

The Hawks dominated the game and came away victors as the score stood 28-0.

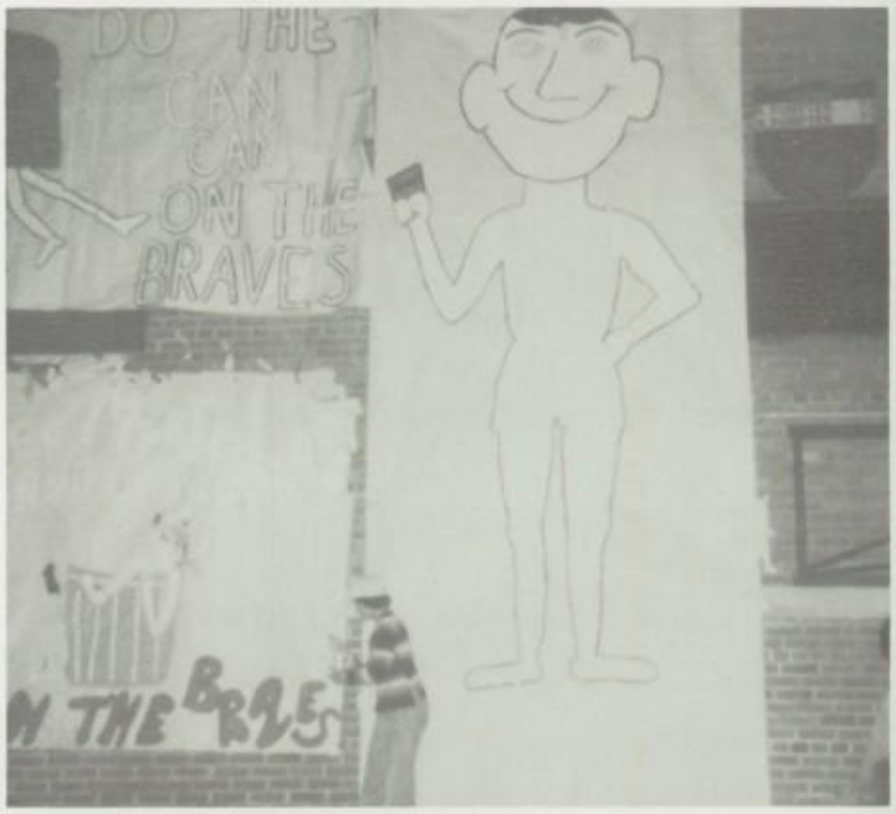
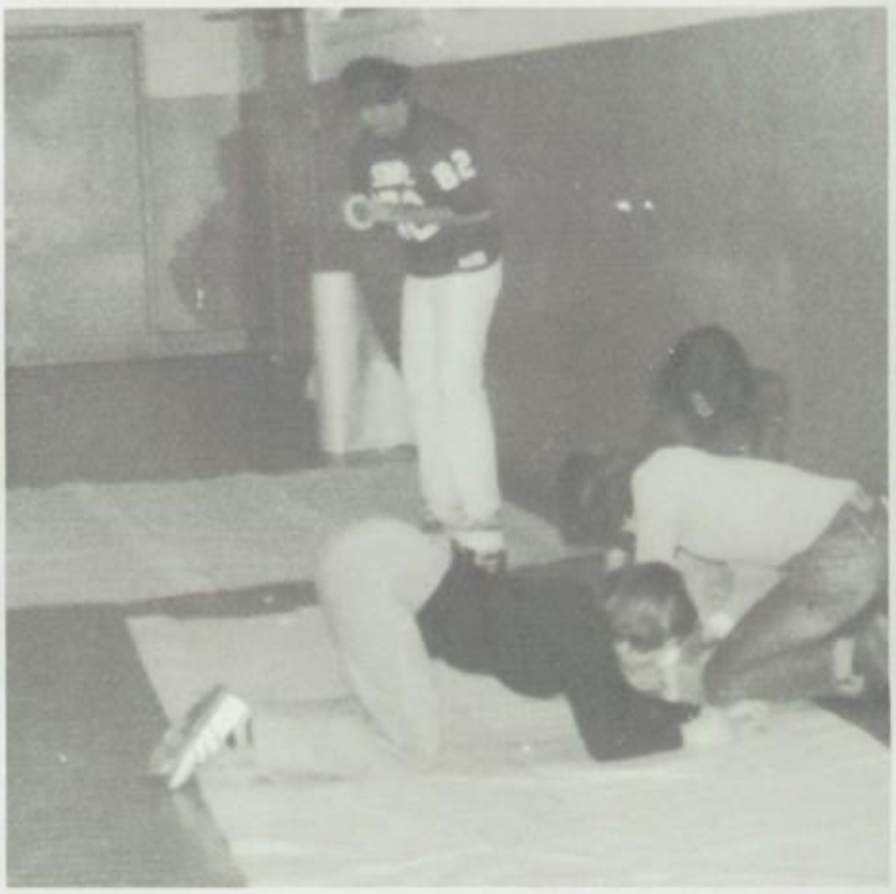
Juniors' Spirit Pays Off

The Seniors failed to find the spirit, but the Juniors definitely made up for it.

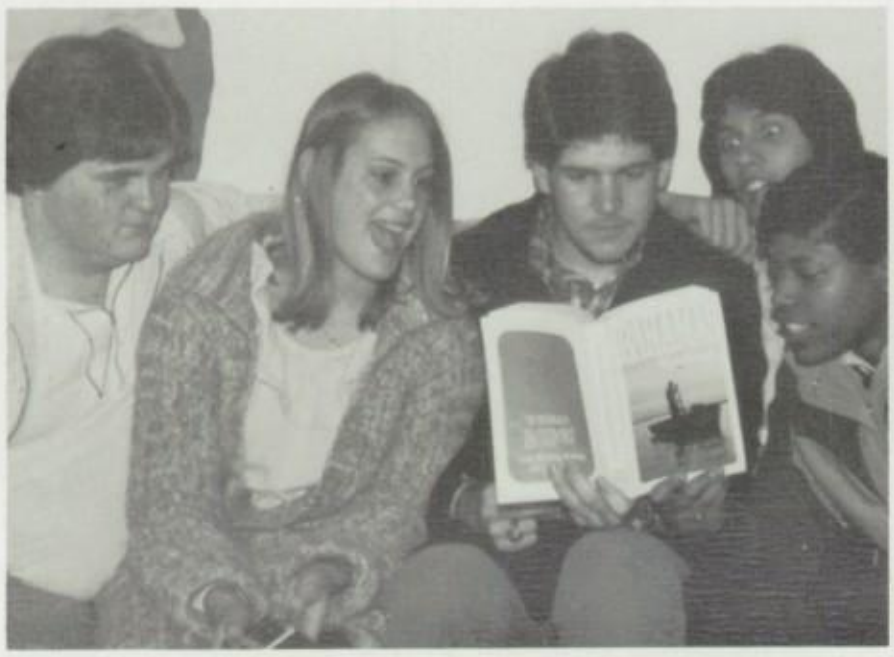
The Senior Class, in their final appearance for the year, really proved that their hearts and minds were elsewhere. Graduation fever seemed to have been the problem.

The Juniors did a fine job of decorating the gym and presenting their theme throughout the King and Queen of Hearts Spirit Day. "Put litter in its place, can the Braves" gave them top awards in both sign and Spirit Day competitions.





Top Right: The winning side. **Below:** "It's Better in the Bahamas." **Middle Right:** Juniors are working hard. **Bottom:** Juniors and Seniors join together for the pep rally.



Freshmen and Sophomores — Coming on Strong

The Freshmen and Sophomores enthusiastically gave the Juniors a close race.

The Sophomores' theme was "Highlights from Socastee," where they depicted a satire of Socastee's Spirit Day. Their decorations in the gym won second place.

The Freshmen dressed as hearts and presented, "Smother the Braves with love" on Spirit Day. They showed much promise as they won second place for their spirit.

Braves Did a Little Too Much

The evening began with an exciting J.V. boys' game. The game went into four overtimes and finally ended with the baby hawks on top, 54-52. The Varsity girls continued the winning streak with a score of 52-38.

With two wins under their belts, the Seahawks were ready to roll toward another victory. Socastee, however, wouldn't stand for it.

Halftime Proves Entertaining

During halftime of the Varsity boys' game the crowning of the 1978 King and Queen of Hearts occurred. This year the Hawkettes had the opportunity to sponsor someone. There were six contestants, three from the Hawks and three from the Hawkettes.

The excitement increased as Mary Canty and Ricky Lewis were crowned King and Queen of Hearts 1978.

'Somewhere Over the Rainbow'

Friday, February 3, 1978 the Junior Class presented "Somewhere Over the Rainbow" as the theme for the annual beauty pageant. Once again Brian Metz emceed the program which contained thirty-eight contestants and various talents.

The girls promenaded before the audience and the judges, with the number soon dwindling to fifteen semi-finalists. After another walk down the ramp and the quarter turns were made, the five finalists were announced.

A question was asked of each of the girls and the judges made their final decision. The excitement reached a climax as Zade Turner was named Miss Congeniality, Lisa Darby as second runner-up, Renee Cannon as first runner-up and finally — Zade Turner was crowned Miss Myrtle Beach High School 1978.

"Lift Your Voices . . ."

Myrtle Beach High School Singers have been a great asset this year not only to the school, but to the city as well. They performed at churches, Chapin Park, Myrtle Square Mall, and several schools. They have worked many long hours for perfection and their performances showed it.

This year, eleven members from the Chorus Department attended tryouts in Columbia for the Eastern Regional All State Choir. It is a great honor to be chosen, and three received this honor with hopes for many more next year.

Outstanding and Meritorious Seniors were chosen because of their excellence either in one or all of the fields of academics, athletics, extra-curricular, leadership, and service. They all helped to enrich their school environment by giving of themselves, their time, and their talents.

FULFILLMENT

Hawks Have Banner Year

The 1977 edition of the Seahawk football team showed how hard work, determination and team spirit blend to make a superior football team. Even after losing seventeen seniors from last year's 8-4 team, they still dominated the conference with their fourth perfect 6-0 mark and a 12-2 overall record.

This year's offense was led by senior quarterback Arthur Murphy, senior halfback Rickey Brown, and junior halfback Roger Sumpter. The defense was headed by senior linebacker Robert Abraham and senior cornerback Ben Lewis.

D-E-F-E-N-S-E

This year's Seahawk defense was the name of the game for the Myrtle Beach High football team as they recorded five shutouts and only allowed an average of five points per game.

This is not to say that the offense was inferior, they were anything but that, as they scored an average of twenty points per game.

Right on to State

For the fourth consecutive year the Mighty Hawks reached the state play-offs. In the first round the Hawks hooked horns with a tough Fort Johnson team. It was a tough defensive battle all the way with the only score being a 75 yard pass interception returned by defensive back Ben Lewis. The final score was 8-0 in the Hawks favor.

In the second round the Seahawks faced the tough Volunteers of Andrew Jackson High. This also was a defensive struggle with the only points being scored on a 30 yard field goal with :53 seconds left in the game by the Vols. This eliminated the Hawks from the play-offs, ending a banner year.

Baby Hawks Complete a Successful Season

This year's edition of the Baby Hawk football squad has a lot to be proud of. The squad was slow to develop but started giving one-hundred percent toward the end of the season. Combining a quick backfield with a tough and stubborn defense, they compiled a successful 6-2-1 record. The Baby Hawks averaged 16 points per game and never suffered a defeat at home. The success of this team cannot be credited to one single individual. Instead, it came about through an organized team with the expert guidance of Coach William Pawloski and the advice of a veteran coach, Tom Langfitt. However, the individual talent of Robert Watts, who received the most valuable player award, and Curtis James, who received the Seahawk award, should not go unrecognized.

Soccer Team Kicks Off to a Slow Start

This year's Soccer Team started out as a thought by Ralph Massre. At the beginning of the year Myrtle Beach had no team uniforms, equipment, or coach. Ralph and other athletes of the 1977 roster realized there was enough talent to form a successful team to represent their school. Ralph took over the responsibility of coaching and Doug Shaw helped to schedule games for the team to play. This is evidence of the determination at Myrtle Beach High School.

The most outstanding offensive player this year was Haim Shamah. Haim gave one hundred percent in every workout, practice, scrimmage, and game. He really set an example for his fellow teammates.

Barry Cox was voted to be the most valuable defensive player of 1978. Barry showed a lot of leadership and contributed more than anyone, to the motivation of the team.

Hawkettes Determined To Win

Though they got off to a slow start, these girls would never say "die." Hard practices continued with the team working on all the aspects of their games. Determined to give their opponents a run for their money, these ladies began to put their all into it.

Impressive Showing Made Against Socastee

The memories of the tough practices and the tears shed over losses vanished with the victory over Socastee. Even though the Socastee girls were heavily favored, our team went in with the will to win. And win they did, in what one local sports writer called, "The best girls' game I've seen in this area in a long time."

Lady Hawks Pull in String of Victories

After their victory over Socastee, the Lady Hawks set up a string of defeats over their tough opponents. The team's spirit, which at the beginning of the season was running low, was in high gear.

With new hope and incentive, the Hawkettes began to play the kind of ball game the crowd wanted to see and the kind they were known for.

Rookie Coach Pulls Baby Hawks Through Successfully

The 1978 "Baby Hawk" basketball squad used the team concept to its fullest. Exhibiting a tenacious defense and a well-oiled offense, the team outclassed its opponents with little or no problem. First year coach, Keith Hunt did an excellent job instructing his players on how to play the game of basketball. This year's roster will definitely strengthen next year's varsity program.

Special recognition should be given to Roy Brown, who returned to the J.V. squad after playing on varsity for the first half of the season. This is an exceptional accomplishment for a sophomore, but not unusual for an athlete of Roy's caliber.

Bump, Set, Spike . . .

These girls really showed the other teams that they played this season what those three words meant. Through weeks of strenuous practices they developed themselves into a team that Myrtle Beach High School was proud to have as their own. Though, at times, the school may have been lacking in their support of the Hawkettes, the teams' spirits never wavered. Success was theirs.

This year has been a great one for the M.B. Girls Tennis Team. Under the new coaching techniques of Coach Wanda Wright, the girls improved their playing greatly. The Wrestling team at Myrtle Beach High School had a superior year during the 1977-1978 season. Widely known as the most improved team in the state, their 13-3-2 record removes all doubt about this fact. The team won many awards individually as well as team-wise throughout the season, among them were a first place trophy in their own Christmas tournament.

For these girls, the hard work involved with being a cheerleader didn't begin with the school year but instead over the summer with practices at 5:00 a.m. and yard sales. The Varsity cheerleaders have worked hard to reach perfection and make the school proud of them. Though, at times, they may have felt unsupported themselves they never failed to support the teams of the school. These girls really showed the student body the true meaning of the word "spirit."

New Staff Brings Fresh Ideas

Seahawk Staff of 78 has been a busy group of devoted students. Besides working hard on the yearbook, they found time to have a little fun. They sponsored the King and Queen of Hearts dance which was a great success. The staff presented a slide show in the gym to promote this year's book. Included for the first time will be the 1977 Jr.-Sr. prom and the graduation of the Class of '77.

National Honor Society

• • •

One of the most active clubs this year has been the National Honor Society. The members are chosen on the basis of their academic abilities. Service, leadership, and grades are the grounds on which the students are reviewed. One of the club's major events was the Jr.-Sr. Bowl in which the Juniors won. A semester average of 2.5 must be maintained to remain in the club.

Beachcomber Staff

Pictures, stories and deadlines were something that the BEACHCOMBER STAFF dealt with daily. David Anderson, the editor, with the help of the advisor Mrs. Joan Lindsay, instructed the rest of the staff in producing many interesting issues of "Beachcomber." This journal included all of the up-to-date happenings going on around the school campus. They worked hard on making each issue better than the last and the newspaper was a success.

Myrtle Beach High Choir . . .

Choir is new to Myrtle Beach High but is welcomed by all. The group is composed of students who excel in the ability to sing. Under the direction of Mrs. Betty Harris the group has become a favorite of the school. They presented a concert at Christmas in the gym and they also sang selections in Chapin Park. Christmas music was also presented at the First United Methodist Church.

MBHS Marching Band

• • •

Such a successful and outstanding year was made possible by the Myrtle Beach High marching band because of the hard work put into their practices. They started practicing during the summer and when football season started they were ready to begin. The band also received beautiful new uniforms this year. They added much spirit to the games and pep rallies.

Office Assistants . . . Helping Generously

Office Assistants were students who used their free time from study hall to offer services during one period a day to teachers or administrators. They fulfilled many tasks such as: typing, filling out forms, answering the telephone, and taking messages. They were greatly appreciated by M.B.H.S.

Alma Mater

In the state of South Carolina
By the ocean blue,
Stately stands a noble structure.
With its colors true.
Lift your voices,
Shout your praises,
Over hill and dale,
Here's to thee, our alma mater,
Hail! Myrtle Beach, Hail!
Now and when we have departed,
From thy halls afar,
May your true and lofty ideals,
Be our guiding star.
Lift your voices,
Shout your praises,
Over hill and dale,
Here's to thee, our alma mater,
Hail! Myrtle Beach, Hail!

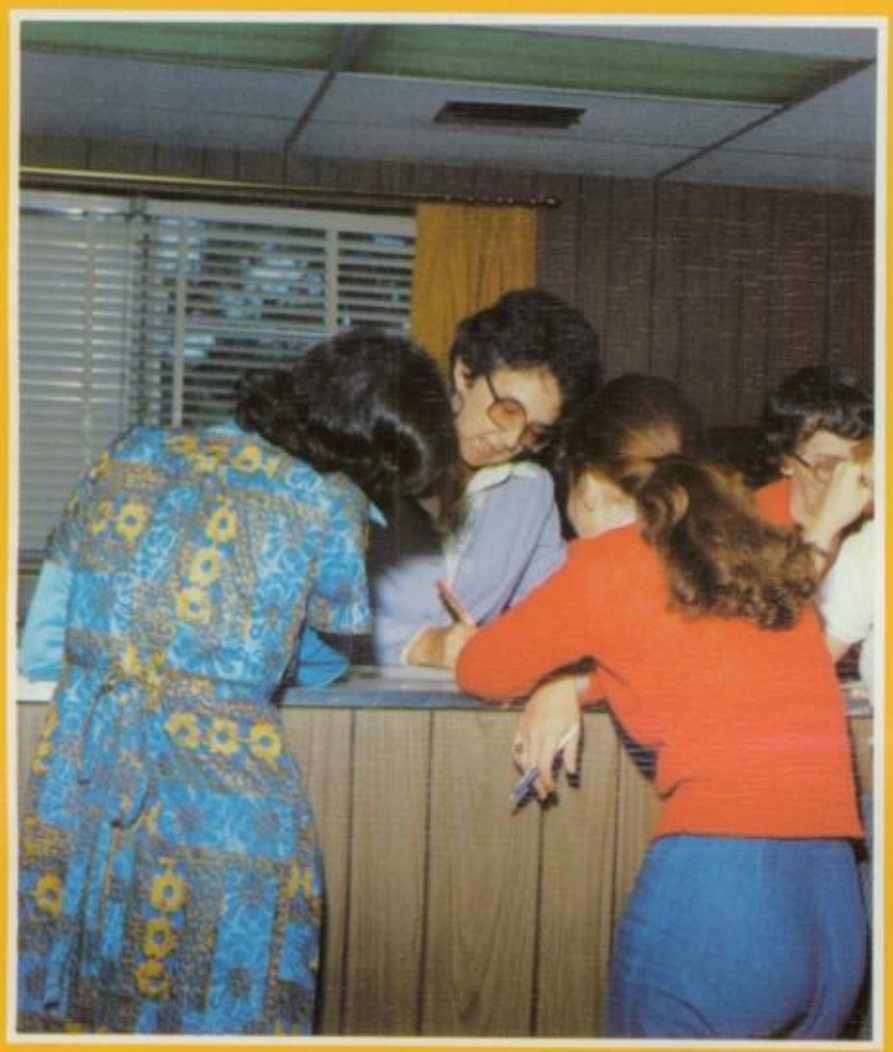
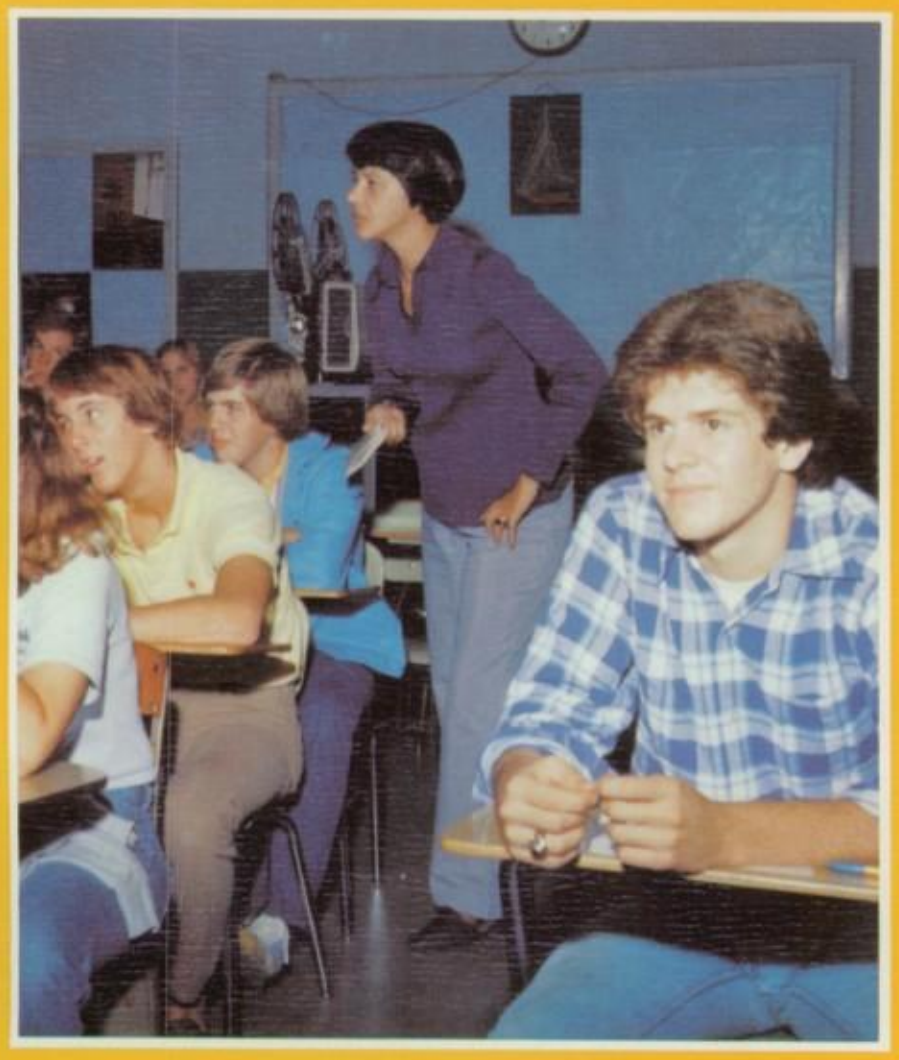
HIGH SCHOOL





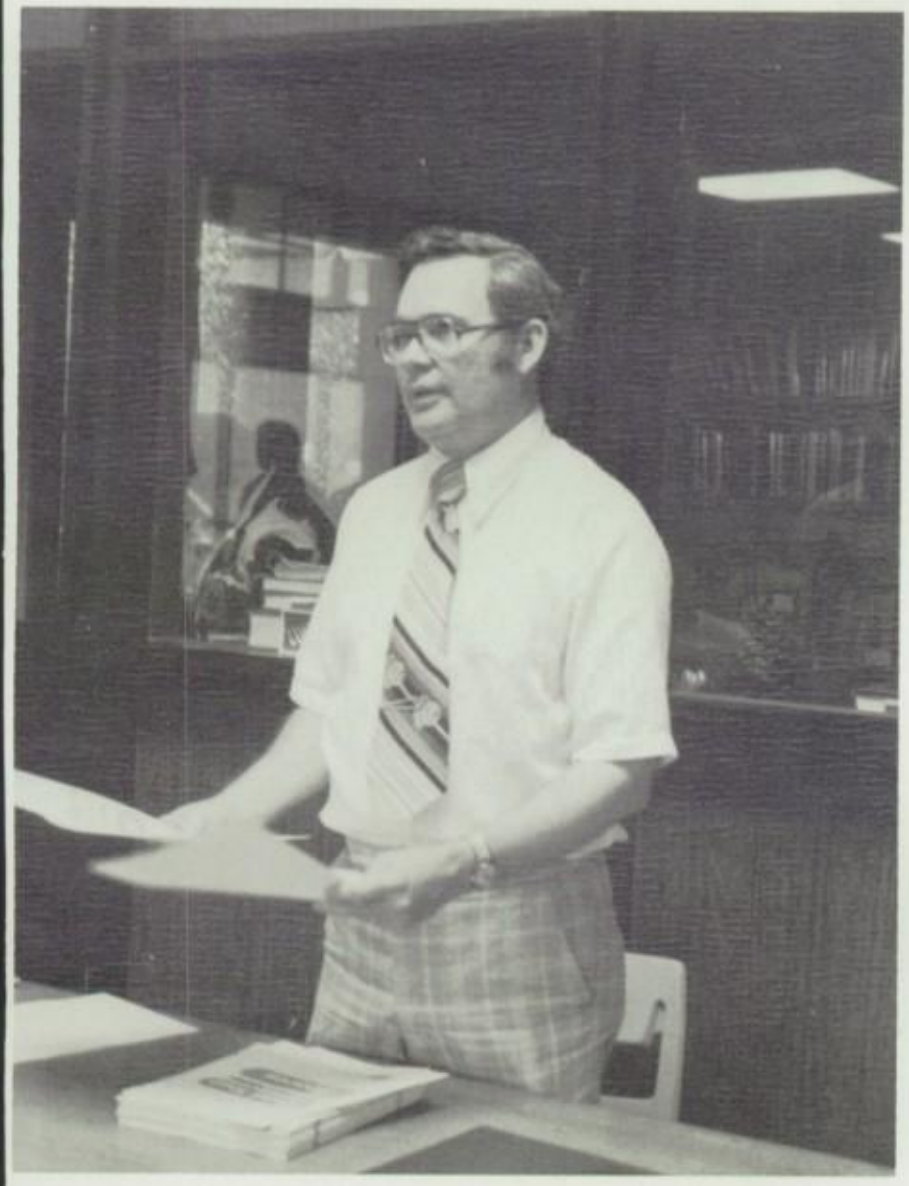
ENRICHMENT

Administration

Mr. Ben Boling was in his second year of heading our administration and as last year he did an excellent job. He was continuously striving to help improve our school and the students. Assisting him this year were Mrs. Bleeker Cannon and Mr. Leroy Rainbow, our two assistant principals.

This year we had three superintendents; Mr. Foster, Dr. Debner, and Mr. Johnson. They worked with our school to better the education system.

Top: Mr. Boling makes his rounds. **Middle Left:** Mr. Rainbow talks with a student. **Bottom:** Mrs. Cannon gives out hours. **Middle Right:** Mr. James Foster, one of our Superintendents.



Guidance Department

Two very important people this year were Mr. Reggie Garren and Mrs. Marjorie McIver, our guidance counselors. Assisting students by filling out SAT forms and college applications were just two of the many jobs they did. Students should be thankful that we have such understanding counselors as Mr. Garren and Mrs. McIver.

Top: Mr. Garren gives directions for the SAT tests. **Left:** Mrs. Sarah Lawton was the Guidance Department's secretary. **Right:** Mrs. McIver made many phone calls during the year.

Service Aid

Some of the most important people are our office help, librarians, lunchroom staff, and custodians. Their jobs were to keep school records, prepare our lunch, and keep the school clean.

Top Right: I cannot believe it, only 30 people got sick today. **Middle Left:** Mrs. Brunson loves to give out checks, especially hers. **Middle Right:** Mrs. Sumner finds out how many films she needs to order. **Bottom Left:** If I have to tell you to be quiet one more time. **Bottom Right:** Mrs. Miller makes out a list of overdue books.

English Department

This year students learned that English was more than just spelling and vocabulary. The English department taught the importance of grammar, literature, drama, and creative writing. For the first time this year, the country distributed the Lac Pac, a guide to teachers on how they should prepare their students for a future life of correct communication.

History Department

The History Department, after making several changes the previous year, decided to stick with them. They tried to stress the importance of learning about the past events in order to understand the present and future some day. For students to become aware of how our government, society, and life style formed was the teachers' main concern. In doing so this hopefully will develop good qualities of citizenship.

Physical Education

A great amount of our school activities are concerned with athletics. For the entire student body our Physical Education Department provided a recreational program. They taught students how to strengthen their bodies as well as their minds, by first learning the basics and then improving their physical fitness. Most important of all they taught sportsmanship.

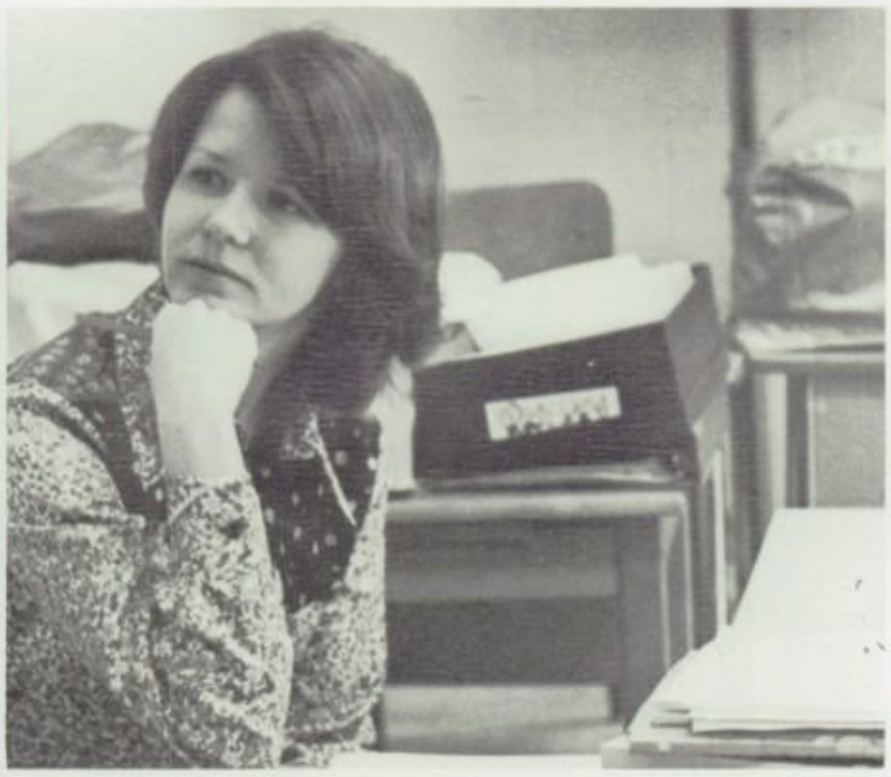
Top: Ms. Davis — "Ask me how tired I am." **Bottom Left:** Ms. Montgomery — "Work, work, work." **Bottom Right:** Mr. Montgomery — "What did you do that for?"



Vocational Department

The Vocational department's highest goal was to train students for skills so they can use them when they have to go out into the world. They have a variety of courses to select from, such as office practice, home economics, shop, and driver's education.

Top: Ms. Forshee — "I wish I was home with hubby." **Middle:** Mr. Shaw — Doing what he does best. **Bottom Left:** Mr. Douglas — "I'll never tell." **Bottom Middle:** Mr. Jordan — "We buy the books and send you to school and all you do is eat the covers." **Bottom Right:** Ms. Howard — "If I have to shut this door one more time, I'll . . ."

This year many students were bused each day to the Grand Strand Career Center. Several skills are offered such as business management, masonry, and building construction. They also taught Turf Management, Small Motors and Distributive Education.

Mr. Genair Hutchinson served as director of the Career Center and Mr. Ronnie Carpenter served as guidance director. They try to help students be prepared in the business world.

The World Has Not Yet Seen the Power of the Class of '78

Seniors began their last year with the will to show and prove that the class of '78 was number 1. In the first several pep rallies the senior class showed their leadership and spirit by backing the Seahawks 100% and thus motivated the underclassmen to also give 100% of themselves. The senior class was led by their president — Linda Page, Vice Presidents — Bo Sturmer and Debra Ragin, Secretary — Mary Canty and Treasurer — Jimmy Edwards.

Seniors Gain Privileges

As soon as the Executive Council was elected they met and ideas and suggestions for Senior privileges were discussed. After a long period of debating the Executive Council arrived on the following privileges: Senior table, assigned parking area, early dismissal for lunch, senior cut with an A average and teachers permission, senior lounge, called early for assemblies and dismissed afterwards first, and last in spirit day competition.

Double, Double Toil and Trouble . . .

With our time limit set from 2:30 to 10:00 on Wednesday, the seniors began to decorate the halls with signs which were painted earlier in the week at the Myrtle Beach Rescue Squad building. The senior patio was turned into a graveyard and the science lab was turned into a haunted house which was used during break and lunch the next day. Thursday morning the school was filled with ghosts, goblins, and all types of fearsome creatures. Just before break an announcement was made for everyone to meet at the baseball field. There the hearse arrived with the head witch, Debra Ragin, who led the rest of the spooks in chants as a monarch was burned in effigy.

Excitement Mounts

Some of the first responsibilities of being a senior were taking the S.A.T. and speaking with college representatives about furthering their education. Class of '78 Moves On

Graduation would soon be upon us and although it would mark the end of our high school years it would also mark the beginning of the rest of our lives. Juniors Shoot for the Stars

Spirit week was kicked off by the junior class on Monday. Many days and long hours were spent preparing and painting signs with the intention of filling every space available in the school halls. Juniors Show Success

"Somewhere Over the Rainbow," was the theme for the Myrtle Beach High School Beauty Pageant on February 3, presented by the Junior Class. Although the pageant was at the end, the Juniors' responsibilities were yet to be finished.

Sophomores Start Again

Another year rolled around and the sophomores were ready to go. With their freshman year behind them, the new year began easier, with fewer complications, and well-known routes to travel.

They began the year by joining clubs already familiar to them and taking on responsibilities that were expected of them. Their first task was the election of class officers. President — Carrie Platt, Vice President — Renetta Alston and Walter Godbold, Secretary — Demora Huggins, Treasurer — Jamie Lang.

Sophomores Stomp Into Second Place

Although the school did not have float competition this year, the sophomore spirit day was filled with excitement. With white tee-shirts stamped "Mighty Mean Manning Mashers," they stomped through classes, mashing all signs of Monarchs. Their efforts were successful when they stomped into second place.

Top Left: "We're no. 1." **Middle Right:** Classmates believe in closeness.

Another Club

As the year rolled along the Sophomores became very interested in sports, clubs, and other organizations that they had joined. These activities kept them busy throughout the year. They also learned that their spirit and loud mouths could help the Seahawks along to many VICTORIES!

Freshman — A New Beginning

The first day of high school is always an unforgettable, and sometimes unpleasant memory in the minds of all students. The Freshman class started down the familiar road that has been traveled many times before, with few complications. After the stiffness softened, the Freshmen got down to business. Their first task was the election of class officers. They selected: President — Mary Cannon; Vice President — Sally Smith; Secretary — Gayle Mason; Treasurer — Dana Patrick.

Top Left: Class officers. **Bottom Left:** Don't talk to me while I'm eating. **Top Right:** Some Freshmen like to work, some like to play. **Bottom Right:** Where did everyone go? It's only 2:35.

A Sense of Belonging

After the Freshmen had settled down to the regular school routine, they began to make up an important part of the school . . . a class with new ideas and eagerness. After accomplishing this they gained something very important to a student . . . a sense of belonging.

Perhaps the most valuable result of all education is the ability to make yourself do the thing you have to do, when it ought to be done.

We'll miss you, Seniors.

Mr. Cline,

You did fine!

Thanks a bunch,

1978 Seahawk Staff

Letter from the Editor:

It was an honor to be asked to be Editor-in-Chief of the Seahawk Staff. The opportunity gave me many new insights into the people and workings of M.B.H.S. and the journalistic world.

The Senior staff has spent countless hours putting memories into a book which the student body could be proud of. I can never express sufficient gratitude to the Senior Staff editors — Kutura, Terry, Debbie, Keith, Gayle, Deb, Steve, Kim, Ramona, Dana, Danny, Becca, Karon, Debra, Melissa, Susan, Karen, and Mary. You are the best and I am very proud of you! Junior staff, your eagerness to help meant a lot, we wish you the best of luck for next year; Debbie, my assistant editor, your section was beautiful and I thank you for everything; my business manager — Melanie, thank you for doing a tedious job with a smile!

Sincere thanks to: Mr. Boling and the faculty for your toleration and encouragement; Taylor Publishing Co. and Whit Cline, for your enthusiasm in printing our book; patrons and local merchants, for your support.

Our color shots were provided by Paul Allen, thank you for a job well done!; Jonathan Edwards, many thanks for the mug shots; Renee Lee, for the sport pictures; Brian Schild, Debbie Tipton, and Bobby Jones — staff photographers — without you we could not have created this book, thank you for capturing the memories beautifully.

It is hard to believe that it's over and without the understanding, patience, and love of one certain person, it would never have been possible. That person is Mrs. Samie Jordon and this was her first year as Seahawk Staff Advisor. To her, the staff offers their unending thanks and love.

Sincerely,
Debra Harris
Editor-in-Chief

To Miss Charlotte,

I am sorry about what happen between March and the end of April. But I hope we can forget that and remember what happen before that and what we have to look forward to in the future. Well, It's been a really good year. Hug? We've had some good times. Like the time on the train on our way to Washington. Uhh I don't think I'll every forget you setting with those ugly glasses on and say "I'm beautiful!" or how about the time that we were in the America Cafe, and we were drinking that spicey, Expressos Coffee? the times we cracked up in sadlers class over, and over again, Ms. sadler thought we were absolutly bena and the yellow submarines, and diet pepsi's of last year. our clamn mirror on the train that drove me crazy. ston with the "old South" and "Gone with the Wind") the night we stayed up till three in the (Miss Scarlotte). the bathroom) telling long kept family secrets (!! morning (in the most of all our imagenations. God never tell if you don't). And when two people can make do we every have imagenations. In a condition; well it each other believe they are both in challenges, well Charlotte takes some imagnation. And our challenges, well I think I'll admit, it doesn't work All the time. In fact I've tried for me it's only worked once (not that I've tried then 100 times). Well, I think that's enough for now. May for all the help (especially with my spelling). the sun always shine in your future (I feel kinda poetic) Have fun this summer. Don't flirt to terribly much.

Have fun this summer, Don't flirt to
